

DOES THE THOUGHT OF APPLYING FOR GOVERNMENT BENEFITS HAVE YOUR HEAD SPINNING?

WE KNOW THE SYSTEM INSIDE AND OUT

The Benefits Processing Center at PROTECTED TOMORROWS® has extensive experience in working with government agencies in the benefits application process. We stay abreast of the ever-changing regulations, knowing exactly what each agency needs in order to have your application approved as quickly as possible. From start to finish, we manage all communications to and from government agencies, execute agency forms, and complete application interviews. Our technical expertise and the relationships we have built within agencies combined with our personal attention to your needs have made us the premier benefits processing center in the nation.

WORK WITH THE BEST

No one ever said applying for government benefits was going to be easy. The applications are confusing and the interviews are stressful. Gathering all that paperwork can be overwhelming.

You may be wondering:

- *Is my family member eligible for Social Security or Medicaid benefits?*
- *Can a government program help pay for our child's costly medications?*
- *How do I identify, understand and apply for different benefit programs?*

The Benefits Processing Center at PROTECTED TOMORROWS has the answers.

Whether you are applying for yourself or a loved one, we take care of all the details for you from the initial application through the interview to the determination.

With more than 20 years of experience, the Benefits Processing Center at PROTECTED TOMORROWS provides unparalleled service, offering the best possible chance of success by guiding you through an ever-changing, complex process.

SERVICES WE PROVIDE INCLUDE:

- *Determining which benefits you or your loved one may be eligible to receive*
- *Obtaining forms and helping you complete lengthy applications*
- *Assisting as you gather all of the necessary records and advising you on which documents you will need to support your application*
- *Completing the application interview on your behalf*
- *Handling all correspondence and communication with government agencies*
- *Monitoring your continued benefit eligibility*
