(1) An enchanted wood is the stage for magic and mischief in one of William Shakespeare’s most celebrated and enjoyed comedies **Midsummer Night’s Dream**. Young lovers on the run are followed by friend and foe alike. All stumble into the Kingdom of the Fairies where Puck and the sprites stir up a lot of trouble and perhaps even a little true love. Add a misguided troupe of struggling actors and you have the outrageous and funny tale that can only be. Worth seeing!

(2) **ABOUT THE FILM “BULLY”** Over 13 million American kids will be bullied this year, making it the most common form of violence experienced by young people in the nation. The new documentary film BULLY, directed by Sundance and Emmy-award winning filmmaker Lee Hirsch, brings human scale to this startling statistic, offering an intimate, unflinching look at how bullying has touched five kids and their families. BULLY was a winner at many Film Festivals.

(3) Send Your Father a Father’s Day Card "F" aithful, "A" lways, "T" rustworthy, "H" onoring, "E" ver-loving, "R" ighteous
